

# DOLLAR MATCHING

**Re: NF Hero Challenge Dollar Matching for**

To

I'm very pleased to advise you that your incredible employee is taking part in the NF Hero Challenge, because they believe tumours should never be a child's normal. They have decided to make a hero-sized difference in the lives of children and families living with Neurofibromatosis by raising much needed funds and awareness.

Neurofibromatosis (NF) is a genetic condition that causes tumours to grow on the nerves throughout the body, including the brain and spine. NF is the most common neurological genetic condition to affect people and leads to a lifetime of uncertainty and tumours. It is unpredictable, progressive and there is no cure.

We would like to take this opportunity to invite you to dollar match their fundraising and double the impact of their amazing efforts.

The NF Hero Challenge is run by the Children's Tumour Foundation of Australia, a registered charity with the Australian Charities and Not-for-profits Commission (ACNC) and the Australian Securities and Investment Commission (ASIC).

We have DGR1 status, which means all donations made over \$2 are tax-deductible.

How can you dollar match?

**1. Directly to their fundraising page**

You can simply donate online to their fundraising page below:

**2. Formal process**

If your organisation has a formal process in place, let me know how we can apply for dollar matching and what is required

**3. Cheque**

Alternatively, you can send a cheque payable to "Children's Tumour Foundation", and send it to PO Box 454, Five Dock NSW 2048. Please include your full name and contact details to ensure you receive a receipt for your contribution.

If you have any questions, please don't hesitate to contact us by email [fundraising@ctf.org.au](mailto:fundraising@ctf.org.au) or by phone on **02 9713 6111**.

Kind regards,

**Renee Anschau**  
Head of Marketing and Fundraising
