

# BE PART OF THE FIRST AUSTRALIAN NEUROFIBROMATOSIS HEALTH AND SOCIAL IMPACT ASSESSMENT

Lend your voice and experience of living with neurofibromatosis (NF) by contributing to the first Australian NF health and social impact assessment.

## WHY IS YOUR VOICE IMPORTANT?

As someone impacted by NF or supporting/treating someone with this condition, your input is critical. Help provide feasible and pragmatic recommendations that will lead to better health outcomes for people with all types of NF.

## ELIBILITY CRITERIA

You must live in Australia and be 18 years or older.

You must be a patient, parent or carer for someone living with:

- neurofibromatosis type 1 (NF1);
- NF2-related schwannomatosis (NF2);
- schwannomatosis (SWN);
