HEALTH  
PROGRAMS

## NF MEANS A LIFETIME OF UNCERTAINTY

This creates a lot of fear and anxiety, leading to feelings of grief, isolation and depression.

The Children's Tumour Foundation provide a range of programs and services that provide knowledge connections and support to those living with NF, as well as their support networks

This is only amplified.

## HELPING TO SIMPLIFY COMPLEX HOSPITAL SYSTEMS

Funding is invested into clinical nurse specialists across four hospitals in two states to help patients with NF navigate the complex hospital system, streamlining assessment and treatment of NF symptoms
